### EYE EXAMINATION

In this day of defective eye-sight, no person, young or old, should wear a glass unless fitted by an expert—ones thoroughly familiar with anatomy and diseases of the eye, laws of light and science of optics.

In addition he must depend upon no one method of examination—he must be familiar with all, and substantiate one by use of others.

Here you will find employed the best and most scientific methods and back of all, adequate knowledge of the eye and its needs.

## CLARK, AND NOT ISAAC

Senator Achi Names  
the Sure Enough  
Traitor.

It is claimed by the friends of Wm. K. Isaac, lately expelled from the Fifth District Committee on a charge of treason to the party in the late county election, that he did not have a fair show. Indeed, he was not even given a chance to be heard on the charge that he worked for the success of the candidates endorsed by the Civic Federation, and against straight Republican candidates.

"I know the charges brought against Isaac to be false," said Senator W. C. Achi, who did work for the Civic Federation, yesterday. "Isaac is a good political worker, and a good Republican. I wanted him to work for the Civic Federation, and he refused to do it. Nor could I convince him that it would be to his interest to work for us. He said he was pledged to support the straight ticket, and would do it."

"As late as the Monday night before the election I sent a third man to see him, and this man reported back to me that Isaac was talking publicly for the straight ticket."

"As for Charley Clark, who was the principal cause of Isaac's expulsion, he and his crowd declared publicly that they would knife George W. Smith for Supervisor because the Civic Federation knifed Quinn. And the result of the election shows that Clark and his crowd did knife Smith. The figures will prove it. The Civic Federation voted the straight Supervisory ticket, with the exception of Quinn. The Federation cast at least 600 votes. If Smith was not knifed by men in his own party, why did he run 300 behind Lucas when Quinn got 600 less than Lucas? Three hundred men who voted for Lucas knifed Quinn."

"I tell you that Clark is the real traitor, not poor Isaac."

And it is a fact that the records of other days seem to bear this charge out. Senator Achi is one of the most astute politicians in Hawaii, and doubtless knows perfectly well what he is talking about. Also, there is an echo from old times in a charge of treachery against Clark. Somehow, it fits.

Attorneys for plaintiff in the Honolulu Clay Co. case are moving to have a day certain set for hearing the various demurrers.

## Mrs. Kearns's Hawaiian Chutney

Better than the foreign article because it is fresher and because the favorable climatic influences tend to give the ingredient a richer flavor. Every boiling is made under personal supervision.

TESTIMONIALS.  
Messrs. Lewis & Co. say: Four years ago Mrs. Annie Kearns commenced making "HOME MADE HAWAIIAN CHUTNEY" for us, and we have been entirely satisfied with her make, and cheerfully recommend the same to anyone.

Messrs. Henry May & Co., Ltd., say: Mrs. Annie Kearns makes our "HAWAIIAN MANGO CHUTNEY," and we are quite satisfied with it. The quality leaves nothing to be desired.

Messrs. C. J. Day & Co., say: We carry Mrs. Annie Kearns's Mango Chutney in stock, and are happy to testify to its excellent quality.

The Manager of the Moana Hotel Co., Ltd., says: Mrs. Annie Kearns's "HAWAIIAN MANGO CHUTNEY," is very good, and is much appreciated by the guests of the Hotel.

Dr. Herbert, who is an authority on Chutney says: Your Chutney is very good, it is all right.

Copy.  
Moana Hotel,  
June 20th, 1905.

We have been using Mrs. Annie Kearns's Mango Chutney for some time past, and I can truthfully testify to its excellency. It is in fact superior to any Mango Chutney we have been using. Our guests, after having once tasted it, will order it again and again.

Very respectfully,  
MOANA HOTEL,  
Per J. H. GERTSCHE,  
Manager.

To Mrs. Kearns, Manager Mango Chutney Co.,

I have much pleasure in stating that the supply of Mango Chutney you supplied to the C. S. Restorer is being greatly relished by all, it being most palatable and appetizing, and all agree they have never tasted any Chutney to equal it in all their travels around the world.

BASIL C. COMBE,  
Commander C. S. Restorer.

Mrs. Annie Kearns

Adams Lane.

## OFFICE FOR HIGH SHERIFF

Place Will be Found for  
Henry at the  
Capitol.

"The High Sheriff will have his office in the Capitol building," said Acting Governor Atkinson yesterday.

And that settles it. It is not determined yet just what office will be given to Mr. Henry. Probably one of the small corner veranda rooms, such as those occupied by the Auditor and the Treasurer. There is one of these on the Walkiki side of the front veranda, at present unoccupied, or at any rate that can be turned over and fitted up for the use of the High Sheriff. He will not need much of an office for the clerical business that he will have to do, but it is deemed desirable that he shall have quarters closer to the Governor and the other heads of departments than he would be if he had his office at Oahu Prison. Of course, he becomes ex-officio warden of the prison, but he need not be there in his up town office hours—and he will have an assistant warden, and the guards.

One point that seems to have been overlooked in the constitution of county government lies in the fact that, in case of riot or trouble on the other islands the High Sheriff becomes to all intents and purposes helpless by the abolition of the Territorial police. Suppose, for instance, that trouble should break out on Maui as it did during the late extra session of the Legislature? The Oahu police could not be sent to quell the trouble, nor could the Oahu Sheriff take any hand in putting down disturbance. It is not at all probable that the other islands will keep up a police force large enough to cope with a situation like that.

It would seem, therefore, that it would be necessary to make some provision by which the High Sheriff could take over the Oahu police in an emergency of that character, swearing in the men as specials and using them as long as might be deemed necessary. This will be one more matter for the next Legislature to adjust in dealing with the aftermath problems of county government. A great many aftermath problems, indeed, will present themselves as time goes on. For in drafting the county bill much was overlooked, and much was left out purposely, perhaps, because the Legislature feared that an effort to accomplish too much would end in the accomplishment of nothing.
